

Message from the Heads - We would like to give a warm welcome to all the new families that have joined Becket over the past few weeks. And a big Welcome back to everyone else. We hope that you have all had a lovely six weeks making memories with families and friends.

For those who are new to the School, Mrs Amos is the Executive Head teacher who deals with the strategic planning and curriculum for both her schools. Miss Bembridge is Head of School and deals with the day to day running of Becket and you will see her in the playground after school most days. We are pleased to welcome Mrs Walters and Mrs Cheeseborough back to the senior leadership team this year.

Our new Reception class have settled in to school life so well. This week they stayed for their first whole day. They are getting used to the ways of the school, getting to know their new classroom, exploring our outside spaces and enjoying lunch with their friends.

Goodbye - sadly for Becket Kerry Broom (Pre-school and nursery Lead) will be leaving us on 21st September. She has been at Becket for many years and is moving on to a new adventure in a different setting. Kerry will be greatly missed. We would like to take this opportunity to thank her for her dedication, team work and enthusiasm and always prioritising the children's needs. Kerry will be greatly missed by staff and children alike.

Benefits – School will receive extra funding if you are claiming certain benefits, therefore it is really important that you apply for Free School Meals, even if your child is in Year R, 1 or 2 and you receive Universal Free School Meals. If you are entitled your child will continue to receive free school meals Year 3, 4, 5 and 6. Please visit the following link to apply. <https://www.n-somerset.gov.uk/my-services/schools-learning/local-schools/free-school-meals>

Remember School meals are free to all children in Reception Year 1 and 2.

Primary and Secondary application – If you have a child, due to start school in September 2024, the application process is now open. Applications can also be submitted for children due to move to secondary school in September 2024. Please visit <https://www.n-somerset.gov.uk/my-services/schools-learning/school-admissions/applying-school-place>

Lateness and early Pick up - Last year a small number of parents were requesting to pick up their children early, and some children were coming in late every morning. Every minute of the school day is essential and picking your child up early or arriving late on a regular basis, is not only unsettling for your child it causes disruption in class and children miss vital learning time. The Educational Welfare Officer monitors this on a termly basis, this year's target is that all children achieve 95% attendance or over.

PE Day reminders

Year group	PE days /Forest school /swimming
Reception	PE Monday and Wednesday
1	PE Tuesday and Wednesday
2	PE Thursday – Forest School Friday
3	Forest School Tuesday - PE Friday
4	PE Swimming Friday
5	PE Tuesday and Friday
6	PE Monday and Friday

Inhalers

If your child uses an inhaler, please make sure that it is labelled with their name. Either on the can inside the inhaler or in an inhaler box.

Medication

We can only give medication that has been prescribed by a doctor and with the correct box and labelling. Permission letters can be signed at the school office.

Nasal Flu Immunisations – Thursday 28th September - Children in Reception to Year 11 are being offered flu vaccinations this winter to help protect them from flu and serious complications such as bronchitis and pneumonia. Vaccinating your child will also help protect you, your family and friends. The flu vaccine is administered using a nasal spray, this vaccine is free and painless, please ensure you complete your consent form at <https://imms.sirona-cic.org.uk/flu/2023/consent?v=1.23> If your child is unable to receive the nasal flu vaccine, community catch-up clinics will be available, please contact sirona.sch-imms@nhs.net or 0300 1245515 for more information.

PE kits - In Term 1 we are continuing to ask children to come to school on PE days wearing their PE kits. (White round neck T-shirt or tie dye t-shirt, black shorts, leggings or joggers, daps or trainers and red school jumper or cardigan.) If your child is wearing incorrect PE kit, i.e. tracksuit or where children are wearing inappropriate clothing or footwear and it is deemed not to be safe, children will not be able to participate. We will ring you to ask you to provide the correct clothing.

Uniform and foot wear - We understand that toward the end of the school year parents do not want to replace some items of uniform such as jumpers, cardigans and shoes, however, during Term 1, it is expected that all children adhere to the school dress code. In instances where children come to school wearing inappropriate footwear or clothing we will ring you to ask you to bring in the correct items

Back packs and book bags - All children from Reception to year 6 should bring a bag with them to school every day because they need their reading books and reading logs in school every day, they also need a water bottle (for water only unless we are aware of a medical issue)

After school club - Beansprouts childcare will continue to run the very popular afterschool club here at Becket. It will run straight after school until 6pm. For more information please contact Amanda King at Beansprouts Childcare, beansproutschildcare78@gmail.com Telephone 07854569315.

Brownies - 1st St George's Brownies meet on Tuesday here at Becket School from 6:15-7:45pm. If you would like more information please register your interest at www.girlguiding.org.uk/joinus or email Karen Marshall 1ststgeorgesbrownies@gmail.com

Secondary school open dates

WINTERSTOKE HUNDRED: Thurs 21st September 4-7pm

CHURCHILL ACADEMY - Wed 27th September

HANS PRICE: Thurs 28th September from 4.30-7.30pm

In school we have 4 houses names after local rivers – our house captains are:

River House Captains

Axe
Max and Jess

Barwell
Tabitha and Serah

Brue
Calin and Hope

Usk
Ethan and Hattie

Reading

Our expectation is that all children read at home at least 5 times a week. This is because the reading level required to achieve the children's potential across the curriculum in primary school is extremely demanding. Research indicates that reading regularly will improve the children's reading stamina, expand their vocabulary and add to their store of knowledge. We ask that every time a child has read at home that it is recorded in their reading record books. KS2 children are able to write in their own record books, however this must be signed by a parent at the end of each week.

Mini Police Programme - Year 5 are taking part in a mini police programme that will begin on Wednesday 4th Oct and will last 9 weeks. Throughout the programme the children will complete some first aid training, recognise the dangers of water, road safety and how to be safe online. At the end of the 9 weeks an assembly will be held for parents and a PC will be invited to deliver certificates to the children who have passed.

Have your say

We would like your views
on the development of the
North Somerset corporate plan and
our budget for the coming year.

Another really positive term of feedback from the Rocksteady group. It's wonderful to see how much the children's confidence has grown with their chosen instrument. The group performed to family and friends last week, it was fantastic. If you are interested in your child joining, you can get more info from the school office or at <https://www.rocksteadymusicschool.com/>

NHS <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Is my child too ill for school?

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell. There are government guidelines for schools and nurseries about [managing specific infectious diseases at GOV.UK](#). These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

Other illnesses

Follow this advice for other illnesses:

Coughs and colds

It's fine to send your child to school with a minor [cough](#) or [common cold](#). But if they have a fever, keep them off school until the fever goes. Encourage your child to throw away any used tissues and to wash their hands regularly.

High temperature

If your child has a [high temperature](#), keep them off school until it goes away.

Chickenpox

If your child has [chickenpox](#), keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.

Cold sores

There's no need to keep your child off school if they have a [cold sore](#). Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

Conjunctivitis

You don't need to keep your child away from school if they have [conjunctivitis](#). Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

COVID-19

If your child has mild symptoms, such as a runny nose, sore throat, or slight cough, and feels well enough, they can go to school. Your child should try to stay at home and avoid contact with other people if they have [symptoms of COVID-19](#) and they either:

- have a high temperature
- do not feel well enough to go to school or do their normal activities

Ear infection

If your child has an [ear infection](#) and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

Hand, foot and mouth disease

If your child has [hand, foot and mouth disease](#) but seems well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.

Head lice and nits

There's no need to keep your child off school if they have head lice. You can treat [head lice and nits](#) without seeing a GP.

Impetigo

If your child has [impetigo](#), they'll need treatment from a GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.

Ringworm

If your child has [ringworm](#), see your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.

Scarlet fever

If your child has [scarlet fever](#), they'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks.

Your child can go back to school 24 hours after starting antibiotics.

Slapped cheek syndrome (fifth disease)

You don't need to keep your child off school if they have [slapped cheek syndrome](#) because, once the rash appears, they're no longer infectious.

But let the school or teacher know if you think your child has slapped cheek syndrome.

Sore throat

You can still send your child to school if they have a [sore throat](#). But if they also have a high temperature, they should stay at home until it goes away.

A sore throat and a high temperature can be symptoms of [tonsillitis](#).

Threadworms

You don't need to keep your child off school if they have [threadworms](#).

Speak to your pharmacist, who can recommend a treatment.

Vomiting and diarrhoea

Children with [diarrhoea or vomiting](#) should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours).

Polite reminders and useful information:

- Reminder: Children are parent's responsibility from the time we hand over at the end of the day.
- Please ensure you park safely and respectfully when dropping off or picking up children.
- Please make sure all clothing and coats are named.
- Please note that no persons under the age of 16 may collect children at the end of the day.
- Please remember that Becket School has a no nuts policy.
- Please do not allow children to play in the pre-school area afterschool. This area is for pre-school only.
- All children in Reception, year 1 and Year 2 are entitled to a free school meal as part of the Universal Free School Meal campaign.
- If you claim qualifying benefits your child may be entitled to Free School Meals. Please follow the link to see if you are entitled. <https://www.n-somerset.gov.uk/my-services/schools-learning/local-schools/free-school-meals>
- Aspens – to book your child's school meals please visit <https://select.aspens-services.com/>
- Amanda King – Beansprouts Childminders, runs the afterschool club. You can contact Amanda on **07854 569315**
- Breakfast club is available daily from 7.45am and must be pre booked on <https://app.parentpay.com/>

2023-2024 Term dates, insets and important dates
