The BFC Plant Sale

Thank you to everyone who came along and supported our first ever plant sale at Becket School.

Special thanks to everyone who donated plants to us.

Kaleidoscope Spelling Bee

2024 – Two children from classes 1-6 took part in the yearly Kaleidoscope Spelling Bee. The children did us proud, with year 4 and 5 winning their year group rounds. Becket came joint 1st overall. Well done!

PE news - 12 pupils from Year 2 and 3 were invited to Worle Village Primary School to take part in a Speed Stacking and Cornhole PE event. They had a wonderful time and really enjoyed trying out new activities. They were an absolute pleasure to take on this visit and made us very proud, they walked safely and sensibly to the event and were well behaved, respectful and enthusiastic throughout the morning.

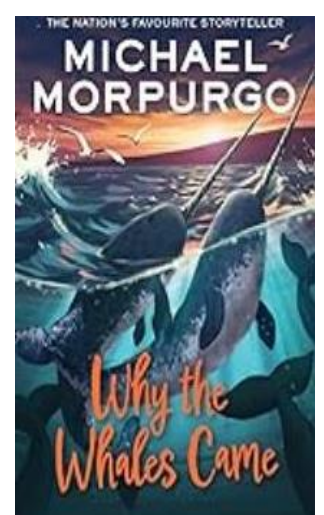

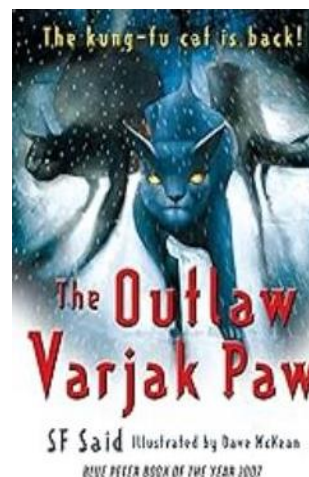

The BFC – We would like to say a big **THANK YOU** to The BFC team for all the Easter fun they provided at the end of last term.

Lost property – Have you lost something?

Our lost property bin is overflowing, please take the time to have a look. It's not only school uniform, but coats bottles, hats and gloves, forest school clothing, lunch boxes, snack pots and lots of other bits and bobs.

Year 4 - This term we are reading the adventure story 'The Outlaw Varjak Paw' by SF Said. The children enjoyed the first book in the series so much they requested that we read the second one together too! We will then read the dramatic 'Why the Whales Came' by Michael Morpurgo.

This week **Year 6** have created their own sculptures inspired by the artist Alberto Giacometti. He is famous for creating sculptures of people he knew from memory and his sculptures were often quite tall and really thin.

Kaleidoscope Maths Festival – children from each class from Year 1 to Year 6 took part in the Kaleidoscope Maths Festival 2024 – 'This team of children represented Becket amazingly in the maths festival. They worked collaboratively in teams, focussed brilliantly and behaved impeccably. We are incredibly proud of them! 😊'

Year 5 worked very hard over the Easter holidays to produce a model, cake, painting or game inspired by our solar system topic. There were so many fantastic, creative and brilliant ideas – we really enjoyed looking at them all. Well done!

This Term **Year 4** have started to learn the clarinet. They did so well in their first lesson – we can't wait to see how they progress as the term goes on.

Please ensure that once you have collected your child that you vacate the site in a timely manner. We are noticing that families are using the play equipment, which is delaying afterschool club from being able to go outside.

Year 1 this week have been learning all about St George's day in forest school. In groups they made shields and made their own clay dragons' egg. They have been learning about the different trees that we have at Becket Primary School.

The Parenting Village Coffee Morning

"It Takes a Village to raise a child" originates from an old African proverb and conveys the message it takes many people to provide a safe and healthy environment where children can flourish. Our coffee morning is for parents that have either attended our Advanced Parenting groups or those just interested in finding out more about building their tribe.

The drop in is a relaxed and friendly place where parents and parenting specialists will be on hand to offer support, a listening ear and advice. We want you to tell us what you would like your village to look like.

**First Friday of every month
starting Friday 13th January 23.**

Where? Castle Batch Children's Centre

What time? 09:30 – 11:00
