

Dear Parents and Carers

Year 4 have been working on improving their football skills in PE. We have learnt how to dribble, to keep possession, to turn with the ball using the drag back and the cruyff techniques and to also pass accurately.

Friday 10th October is World Mental Health Day – Children are invited to wear yellow in support – no donation required. Don't worry if your child does not have yellow, they can wear a favourite t-shirt

Year R and 1 had great fun joining in with a speed stack session! They all showed star listening, great hand eye coordination and used their fine motor skills to try different stack challenges! 😊

Year 3 have been learning about the rainforest and how to sketch by adding tone to drawings. The children have produced some wonderful work and should be super proud of themselves. Here are some lovely examples of their art work - we are proud of every member of our class and all of the excellent art they have produced so far this year!

Disco slips are out, if you need a new one, please ask at the school office. Please ensure payment has been made on ParentPay.
