

This week, **Year 3** have been learning about magnetism. The children have been incredibly engaged in learning about magnetic force and were very surprised when we discovered that they could make a paper clip "fly" using a magnet's non-contact force! Some of the children independently further investigated how close a magnet has to be to another magnet to attract it. Super work Year 3!

## 🌱 Active Wear Day Success! 🌱

A huge **thank you** to all the children who took part in Active Wear Day last week! It was such a joy to see everyone arriving in their bright, sporty and active outfits—so much colour, energy and enthusiasm throughout the entire day. 🌟

The children threw themselves into the spirit of the event, and it really helped create a fun, lively atmosphere around the school. Seeing them embrace physical activity and healthy living in such a positive way was truly wonderful! 🍌 🌟

We also want to extend a massive **thank you to our amazing parents and carers** for your generosity and continued support. Your donations make a real difference and help us to keep providing valuable opportunities and experiences for our pupils. 💙

We are so grateful to be part of such a supportive school community. Thank you all for making the day a great success! 🍌
