

Book Recommendation: Rooftoppers by Katherine Rundell

Book recommendation from Mrs Vicarage

This book is best for...

This book is best for Years 5 and 6.

Why I recommend this book

First of all, I love the fact that Sophie, the main character, travels to the capital of France, Paris.

Her personality is endearing. She has had a tough start in life, she is quirky but she never gives up!

I sent this book to my niece in France and she loved it too!

Enjoy the read!
