

Book Recommendation: Fantastic Mr Fox by Roald Dahl

Book recommendation from Mrs Foley

This book is best for:

Year 3 and 4

Why I recommend this book

This book is about a fox who goes out every night searching for dinner for his family and three ugly farmers who try to catch the fox.

I like this book because Mr Fox is brave, kind and fearless and the illustrations are very detailed and funny. My favourite part is when he has lots of food and shares it with all the other animals.
