

Book Recommendation: 'Silly verse for kids' by Spike Milligan

Book recommendation from Mrs Burt

My favourite poem from this book is called It's 'On the Ning Nang Nong' by Spike Milligan.

This poem is best for...

All ages!

Why I recommend this poem

I remember learning this poem when I was younger and have enjoyed sharing it with my Reading Crew at school. We had great fun reciting different lines and then coming together at the end. Perhaps you could teach your family too!

Enjoy the read!
