

In school learning - PE

Before the school closure this academic year, the children in Becket had already learnt a range of different skills, participating in many different sporting activities during their lessons, whilst others were able to experience Forest School, Sole Cycling and Swimming lessons.

We were able to host a Tag Rugby tournament as part of our Academy whilst some of our children have been competing in other events within the Academy this year. It was hoped that further events could have been entered in the last term before our...
